

## Challenger Learning Center of Tallahassee

### Registration Information

#### Dates and Themes (Recommended for Ages 10 and Under and optional accompanying adult)

<b>Saturday, December 10</b>	WeDo LEGO Robots	Build a LEGO robot, and learn what it means to program and make your LEGOs come to life! Meet our new wall climbing robot EdCAR and more!
<b>Saturday, January 14</b>	Minecraft Zoo	Learn about habitats and the critters that live in them, and then join together in a Minecraft server to assemble the greatest of all zoos.
<b>Saturday, February 11</b>	Coding Decoders	Dabble into binary coding with Oreos and handmade bracelets. Get an introduction into computer programming with Scratch Jr. and LEGO coding.
<b>Saturday, March 11</b>	Building Big	Unleash your growing imagination! Engineer and build bridges, buildings and more using different materials. Get a discount to the new IMAX movie "Dream BIG" with registration.
<b>Saturday, April 8</b>	Mini Meteorologists	It's Springtime for Science! Learn about the weather changes associated with the season by making your own weather vane, barometer and more.
<b>Saturday, May 13</b>	WeDo LEGO Transporters	Use the latest LEGO WeDo 2.0 kits to build cars, trucks and other vehicles and program them to move on their own.

#### Dates and Themes (Recommended for Ages 9 to 99)

<b>Saturday, January 28</b>	Minecraft Survival Games: A Multiplayer Competition	See if you have what it takes in this multiplayer competition to outlast your opponents using various survival techniques. Compete in a virtual "Hunger Games" style arena working in teams to see who can survive the longest.
<b>Saturday, February 25</b>	Online Creators: Make your own Website!	Whether you are a novice or an experienced coder, this program has something for you. Create your own little corner of the internet using HTML and CSS.
<b>Saturday, March 25</b>	Spark Industries: Electronic Challenge	Channel your inner Tony Stark and become an electrical engineer. Work with real circuits and electronics to complete challenges. Get a discount to the new IMAX movie "Dream BIG" with registration.
<b>Saturday, April 22</b>	Weather Studio: A Live TV Experience	Learn what it takes to make your own weather forecast. Use our green screen and microphones to record your own TV and radio weathercast!
<b>Saturday, May 27</b>	Humanoids and Droids: The Hands-on Robotic Experience	Program a humanoid, tank, or six-legged robot to compete in various challenges and tasks. Write an execute a script for your object or choreograph and program it to perform a dance routine.

### Additional Information

#### COST

Program cost is \$6 per person per program. Includes materials.

#### REGISTRATION

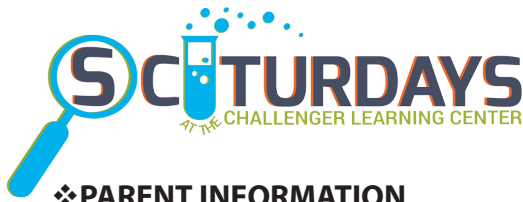

Enclosed is a registration form. This form must be completed in its entirety and returned no later than 48 hours before the program date. Programs are limited in size; therefore, registration applications will be processed on a first come, first served basis. Registration is complete and confirmed on receipt of payment.

#### CANCELLATIONS/ REFUNDS

No refunds will be offered for SCITurday programs. For cancellations received at least 48 hours prior to any program, your registration fee may be applied to future Sciturday programs.

#### CONTACT INFORMATION

Should you need additional information, please call (850) 645-7777, weekdays from 7:00 a.m. until 4:00 p.m. For content/curriculum information, contact our Education Manager at (850) 645-7787.
